A Very Special Day

Good morning! My name is Bruce. My sister Maureen and I have come to spend the day with you. At last we are going to see life at Herkimer Central High School and get a glimpse of what we have to look forward to as future high school students.

Since last year, when we served as mascots for your Magicians, Maureen and I have anxiously awaited the day when we could visit you and your teachers in action. So, here we are!

It's about time for us to begin our long-awaited venture. Won't you come with us to see your own, happy, active life as we shall see it?

MISS ETHEL COOK

Dedication

With respect and admiration, *Ye Green Staff* dedicates the 1959 Annual to Miss Ethel Cook.

Not only has her influence been felt in the classroom, but it has had an everlasting effect on those who have worked closely with her on student publications, and in various Senior Class activities.

As adviser to the school newspaper, the yearbook, and the Senior Class, Miss Cook has willingly devoted much of her time in counseling and guiding the many students who have sought her help.

Miss Ariel M. Whitney

While teaching in the H.C.H.S. Latin Department, Miss Whitney has served as adviser to the Junior Classical League, to the Freshman Class, and to the Junior Red Cross.

Mr. Elmer E. Morgan

Mr. Morgan while directing the Physical Education in Herkimer schools for a number of years. coached many championship Magician football teams.

Mrs. Ermantrude M. Watson

As a member of the Commercial Department, Mrs. Watson advised a Commercial Club for many years. Today, in addition to teaching, she is Central Treasurer for all H.C.H.S. organizations.

In Appreciation of Retiring Teachers

Mrs. Christine A. Bartlett

Teacher of Citizenship Education 11 and 12, Mrs. Bartlett is also active as sponsor of both the Future Teachers of America and the Junior Class.

Miss Ada R. Mills

Whenever art work is needed in the school, Miss Mills has provided the assistance by working with the Art Club. Also, Miss Mills has coached girls' bowling and supervised Senior Finance Committee.

Miss Anna E. Matis

Miss Matis, a teacher of business subjects, has been director of the work-study program at H.C.H.S. since it was organized. She served as business adviser for student publications for three years.

Meeting The Faculty

Even though it is not yet time for attendance, Maureen and I have already found many things puzzling us. We have decided to ask the faculty and administration to answer these questions for us. Besides doing this, we know they will be glad to guide us through the day, just as they have done for you throughout the year.

Friendly Students . . One and All

Our first stop is Room 24, where we will meet the seniors who are awaiting graduation. We saw many other students —freshmen, sophomores, and juniors—in the halls on our way to Room 24. Many of these friendly students we met at the basketball games last year; there are some new faces too.

All of you are kind and helpful to Maureen and me, making our visit very enjoyable.

Alma Mater

Where the silvery Mohawk's flowing,
As it wends its peaceful way,
There's a spot of fondest memory
To Alumni, young or gray.
There, our dear old Alma Mater
Stands throned 'midst hills of green;
As the white clouds bend above her,
She's the fairest ever seen.

Oh, her sons and daughters love her
With a love that knows no end,
And with garlands fair entwine her
As her honor they defend.
For her ivy walls are sacred
To the scenes of glad-spent days,
And our voices rise in parting
As we sing her endless praise.

A Day At School

From 8:35 to 3:24 is a long day for Maureen and me, but we have so many places to go and so many people to meet that time is going fast! There are classes to attend, an assembly to see, and many teachers and students yet to meet.

We know that everyday is filled with experiences for you just like the ones that we are experiencing today, and you will never forget them; and we, too, will always remember this day.

2X2=

School Life

"Now, about your last test . . "

"Tomorrow Ilion will be very surprised!"

"How complicated this is!"

"If first you don't succeed . . "

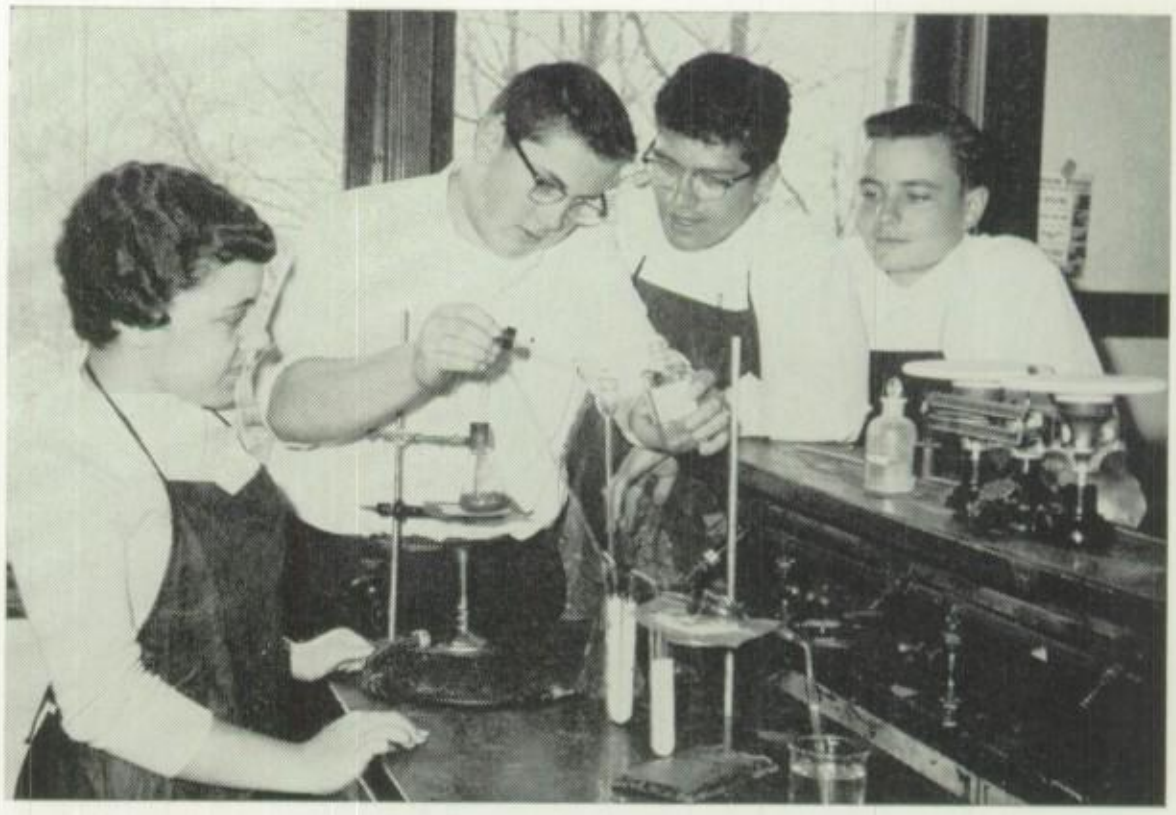
"Beware the Ides of March."

"How many hot dogs did you say?"

"A very special dance"

"Hmmm, that is a good question; now, what is the answer?"

School Life



"Just one more drop
will do it"

"An important occasion for H.C.H.S. students"

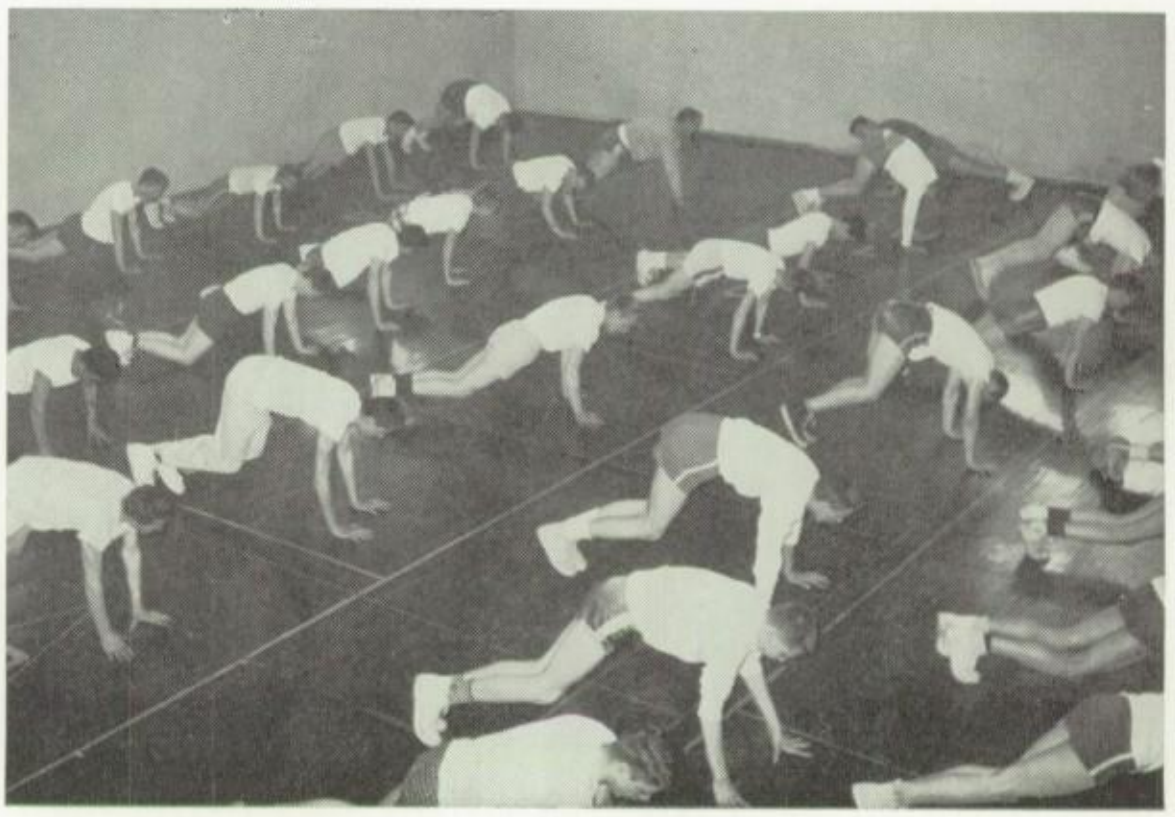
"Don't throw on the tinsel!"

"Feet on the floor;
eyes on the copy"

"I will do my very best"

"Our new president . . "

"So, you think you've got problems"



"It's only the beginning"

Activities For Everyone

We always thought the school day ended at 3:25, but now we see many activities are just beginning at this time. People are hurrying to different club meetings, tuning up their instruments for band and orchestra rehearsals, or studying their lines for an approaching play.

There seems to be something for everyone to do; and Maureen and I know when we get to high school, we will find many activities to keep us busy.

Not only did the publications staffs continue *The Recorder* and *Ye Green Quill*, but under the editorship of Joseph Basloe and Ronald Siegel, they started a literary magazine, *The Magician*.

Workshop sessions during Press Club meetings helped acquaint the writers with the skills of student journalism. At one meeting, Mr. Robert Pryor of *The Observer Dispatch* spoke to the club.

The Recorder took an All-New York rating at CNYSSPA and the trophy for the best printed newspaper. Individual honors went to Ronald Siegel, first place in headlining, and to Lawrence Golden, second place in newswriting.

Student Council Coming to Order

Plans! Activities! Events! Herkimer High's representative body discussed them all at the busy Monday noon sessions.

The retiring teachers were honored at the Student Council sponsored Award Banquet where a plaque, with the names of these teachers engraved upon it, was presented for the new school.

Providing name plaques for Bills School, helping to sponsor the Valley Friendship Dance, and decorating the Christmas tree were some of the projects completed by the Student Council this year.

Mike O'Bryan was elected president of District 7 of the NYS Association of Student Councils at the annual meeting in Clinton. Student Council president Geraldine Robinson, completed her year as vice-president of the New York State organization, and was given the state leadership award.

Five Fields . . 95 Points

Point System compiled the activity records of every student, evaluated these records, and then presented Activity Cups to the students who earned the required number of points.

Activity cups are awarded to those seniors who have earned a total of 95 or more points in at least five out of seven fields. At this year's Award Banquet, cups were awarded to three seniors.

To meet the school's ever changing needs, Point System revised its constitution. This committee of Student Council also helped to organize Point Systems in several valley schools.

At regular meetings Dramatics Club witnessed five one-act plays: "Idlings of the King," "Outclassed," " Ransom of Red Chief," "Love Errant," and "Stranger than Fiction."

During the year, the Dramatics Department sponsored two public performances besides presenting the Tri-City play, "Major Milliron Reports." They were: *What A Life* and the group of three one-act plays—"Outclassed," "She Married Well," and "The Wedding."

Dramatics Club members not only acted in plays, but also served on various committees for the presentation of these plays.

Thespian of the Year

Vernon "Bud" Simmons in his four years in high school amassed 214 points, more than any other senior, in the National Thespian system of awarding points. He, therefore, received the trophy as Thespian of the Year.

"Bud" held major roles in the three-act plays—*The Family Upstairs, Outward Bound,* and *What A Life.* He also demonstrated his acting ability in the one-act plays, "Circumstances Alter Cases," "Major Milliron Reports," "The Darkest Hour," and "This Strange Night."

Besides acting, "Bud" served as stage manager for two three-act plays, *Double Door* and *Blythe Spirit;* also, he directed "Outclassed," "This Strange Night," and "Buddy Answers an Ad."

Teachers of Tomorrow

Many of the graduates of H.C.H.S. who are now teachers got their start in the Margaret Tuger Club of Future Teachers of America. This is the purpose of the club.

In April, Barbara Higler completed her term as vice-president of Central New York Association of Future Teachers of America Clubs and was elected president of the same organization for the coming year. For this service and for her work in the local club, Barbara received the F.T.A. prize as the outstanding member.

Fifteen F. T.A. members visited Albany State Teachers College in April to tour the campus.

Future Nurses On Duty

To become better acquainted with nursing as a career, F. N. A. members visited the Albany Medical Center where the Assistant Director of Nursing Education spoke to them. Speakers from St. Elizabeth's Hospital, Utica, also spoke to the club members.

Real opportunities to observe nurses at work came when the girls assisted them at the Herkimer Memorial Hospital, and when some members of the club assisted with a pre-school immunization clinic in Herkimer.

A county meeting, attended by F.N.A. Clubs from several area towns, was held in Herkimer. The speaker was Mrs. Luella Bockmier, Director of Nursing at St. Luke's Memorial Center School of Nursing.

Future Homemakers In Training

In order to improve their homemaking skills and to be of service to the school, the Future Homemakers of America served refreshments for the open house program.

F.H.A. members also assisted at faculty teas presented by other clubs, served the speaker's table at the Award Banquet, and prepared and served a dinner for a meeting of the Board of Education.

In April, these organizations served luncheon to the judges of the Herkimer Science Congress.

Service Club In Action

The H.C.H.S. Key Club this year received a certificate in recognition of its worthwhile project of collecting clothes for a worldwide clothing drive.

In April, Mike O'Bryan and Garry King traveled to Monticello to attend a meeting of representatives of Key Clubs in New York State.

At their Thursday night meetings, events for the year were planned. Included among these were a donation to the Science Congress, the purchase of jackets, and collecting and returning tables and chairs used at the Award Banquet.

The club, in order to raise money, maintained the concession at basketball games and co-sponsored both a novelty basketball game and a novelty volleyball game.

Science With Chem Club

The world of science was sparked again as Chem Club, under the direction of Mr. Wallace Garvey, organized the Twelfth Annual Science Congress. More than 150 students, the largest number of entries ever recorded, entered the Congress.

Herkimer had seven first place winners. These outstanding entries from H.C.H.S. advanced to the Regional Science Congress held at Utica College. Ronald Siegel, after winning first prize in the field of biology, won first grand prize. A senior, Ronald Stockwell, took first prize in the chemistry division and second grand prize.

A Major Interest In Latin

Have you ever played scrabble? The members of the Junior Classical League, better known as the Latin Club, took up this pastime after their regular meetings. However, some special rules prevailed. The club members, instead of using words from the English language, played the game using Latin words only.

The highlight of the year for the club members came when they took a trip to New York City with Art Club.

The journey was made possible by a dance, pizza sale, and a stationery sale.

Art For Every Occasion

Throughout the year, Art Club has had charge of the bulletin board at the south end of the main floor and has kept the scenes as close to the season as possible.

For the Christmas season, the club decorated the Herkimer Memorial Hospital and supervised decorations at the high school. This group, once again, decorated the Bills School gym for the Award Banquet.

Besides working on art projects, the club visited places of art interest—the art museum in the library at Canajoharie and the Munson-Williams-Proctor Institute in Utica. During the Easter recess, Art Club members made their annual journey to New York City.

I Hear Singing

Highlight of the vocal music year was the annual Spring Music Festival, held at Bills School in May. All H.C.H.S. groups—Mixed Choir, Girls' Choir, Choraleers, and Choralettes—participated in the festival.

The Mixed Choir attended the All-State Festival in Dolgeville and the All-County Festival in Frankfort.

The Choralettes presented programs for the Business and Professional Women's Association and for the Methodist Church, while the Choraleers sang for Temple Beth Joseph and for the Lady Elks.

At Christmas time, all four groups entertained H.C.H.S. students at an assembly.

Music In The Air

Green and white hoops decked the gridiron at halftime last fall, as the H.C.H.S. band filled the air with strains of "Hoop de Doo" and "Fine and Dandy."

Under Director Alphonse Carmardello, head of the instrumental music department, both the band and orchestra have displayed their talent, especially during the presentation of the annual concert which featured the selections "God of Our Fathers," "Copa Cobanna," and a medley of tunes from "My Fair Lady" of Broadway fame. Assistance in orchestra direction was given by Mr. Leo Hahn.

A large delegation of instrumentalists from these two groups represented Herkimer in the annual Herkimer County Music Festival, held at Frankfort-Schuyler Central School in January.

Cheering for the Magicians

The time for our visit has come to an end, but there is an important part that we have not yet mentioned. During the year, we have attended many sports events. We can still remember the excitement of the Pep Rally on the night before Herkimer's thrilling victory over Ilion. We liked the teamwork that spirited the basketball team to a strong finish, the important role of the championship minor sports teams, and the fun of watching the spring track meets and baseball games.

Maureen and I were impressed by the skill, sportsmanship, and school spirit displayed at each of these events.

Beat Ilion! The Magicians, led by co-captains Nick Annotto and Al Staskus, did not disappoint the students, for they won the traditional battle 12 to 7 at Earl Field. The victory gave Coach William Trainor's charges a four win - three loss - one tie and third place in the Iroquois League.

After a slow start, during which the gridders gained confidence and skill, the team came back to win three and tie one in its last four games. Seniors Annotto and Bob Winne, along with George Bokowski, carried the brunt of the run-

Varsity Basketball

Improvement was the key word for the 1958-1959 basketball season. Under the direction of Coach Lawrence Hughes in his first season as coach, the team made its best record in three years. The team improved as the season progressed and won six of its eight wins during the last ten games. The Iroquois League record was four wins and six losses, while the all over season record was eight wins and twelve losses.

For his efforts, Nick Annotto received the Frank Basloe Trophy as the outstanding player and was named honorary captain. Al Staskus led the team in scoring and was backed by seniors Annotto, Gus Maida, and Joe Basloe who also helped in rebounding.

Sophomores, Dave Schad and George Ketchum, played regularly and gained valuable experience. Schad and Annotto were named to the Iroquois League second team.

In Section III tournament play, the hoopsters were strong in defeating Mohawk, but lost to a powerful Holland Patent five in the second round of the tourney.

Herkimer's wrestling squad, coached by Mr. Henry Palczynski, showed its main strength in individual wrestlers. Senior Bill Ritton and Larry Golden, junior, captured Iroquois League championships in the 112 and 120 pound weight classes respectively. Sophomore Bill White worked his way to the semi-finals of the tournament.

In the Section III tourney, Bill Ritton won his first three matches losing by a close decision in the semi-finals.

With Ritton the only senior, many of Herkimer's grapplers will be returning next year with the experience gained this year.

Champions of the Track

Top performances by seniors and a few newcomers gave Herkimer the team championships in the Sectional Relays, the New Hartford Invitationals, and the Iroquois League Meet. However, the 1959 edition of the track team lacked the depth to continue undefeated in the dual meets.

Iroquois League champions include Nick Annotto, who broke league records in the 100 and 220 yard dashes, Bill Ritton in the mile, Rod Sluyter in the pole vault. Bob Winne set a league record in the broad jump, and the relay team, consisting of Al Staskus, Winne, Dave Nichols, and Phil Parks, also rated as champions.

New Earl Field records were set by Dave Cohan in the 440 yard run, and by Bill Ritton in the mile. Joe Trimboli scored heavily in the high jump.

BASEBALL COACHES
Coach Lawrence Hughes, Coach Joseph Waters

Highlights of the 1959 baseball season came in the games against Ilion and Norwich. At Ilion, the team took a 1-0 decision, while at Norwich the Magicians defeated the home team by a score of 9-3. When Norwich traveled to Herkimer, the H.C.H.S. nine again downed Norwich, this time 6-1.

During the season, Coach Joseph Waters' diamondmen have been handicapped by injuries to players — C a r l

On The H.C.H.S. Diamond

Sahre, Al Vanderwiel, and Zenon Lishchynskyj.

Senior Bob Gokey has carried the brunt of the pitching attack; Al Vanderwiel manned the center field post and Joe Macri did the chores around third base.

With only one junior, Garry King, on the starting lineup, the team consists in a great part of sophomores and juniors, so this year must be considered a building one.

Leaving To Do Our Shopping

Maureen and I are grateful to the wonderful people who made our visit possible.

We hope that our visit has highlighted the memorable occasions of the 1958-59 school year for you. We will always remember this day just as you will remember and cherish the days you have spent at H.C.H.S.

Are You Protected

?

It is urgent, if you are under forty years of age, you immediately arrange to obtain Salk Vaccine innoculations in order that you may be protected during the coming polio season.

Don't risk paralytic poliomyelitis when protection is so easy to obtain.

This page is contributed by your Herkimer doctors as a public service in the hope that all who read this will take action without delay and urge all others to do likewise.

To the Board of Education,
Residents and Pupils

We consider it a privilege and an honor to design your new buildings and renovate your old buildings, for the betterment of education in the Herkimer Central School District.
